

## ● ● Compatibility list of preferred smartphones for using the audifon app

Dear customer,

thank you for choosing audifon hearing systems.

For an optimal product experience, please download the audifon app from the App Store/ Play Store.

With the audifon app you can use other useful functions of your audifon hearing systems. The audifon app can be connected to all devices on the Wings platform:

➔ **lewi S / lewi R / lewi R Li / risa S / risa R / risa R Li**

The app is compatible with all Apple iPhone or Android smartphones with one of the current operating system versions:

However, since there are individual properties in the various operating systems that behave differently in the respective versions, we have created a list of smartphones that we have checked 100% in this regard. We recommend the following smartphones for optimal app stability:
